Draft Charter Published: National University of Aletheia

Published	30 June 2026
Status	Proposed
Published by	Founding Team

A draft charter for a future research university with faculties of medicine, law, engineering and maritime science.

A draft charter for a future National University of Aletheia, with faculties of medicine, law, engineering and maritime science, has been published for comment.

The draft guarantees academic freedom and the publication of all research grants. It has no legal force; it would be considered only once Aletheia has a lawful legislature. Comments are welcome through the contact page.
