An Act establishing the digital identity framework of the Sovereign Covenant State, empowering international entrepreneurs to form companies, execute contracts, and utilize state settlement rails.

Section 1 — Digital Identity Inscription

E-Residency is a cryptographic digital identity conferring legal capacity to sign contracts and form commercial entities under Aletheian jurisdiction.

Section 2 — Physical Rights Exclusion

E-Residency expressly conveys no right to enter, physically reside, work as an employee, or claim citizenship or travel documents of the Sovereign Covenant State.

Section 3 — Tax Neutrality

E-residents operating foreign-sourced digital businesses through an Aletheian corporate vehicle are subject to zero personal income tax in Aletheia.

Proposed signatory: Minister of Digital State & Registrar of Companies

Draft ACT-2026-05: no legal force

Founding-phase record without legal force. Aletheia is not a recognised state. The English text is authoritative.
